The Court orders that the motion to dismiss these appeals under MCR 7.211(C)(2)(b) is GRANTED. After failing to order the full transcripts of proceedings in this case as required by MCR 7.210(B)(1)(a), appellant still failed to order the remaining transcripts by February 22, 2018 as required by this Court's February 8, 2018 order. While we recognize that appellant ordered the additional transcripts on March 5, 2018, that was only after the filing of the present motion, and appellant has filed no answer to the present motion to provide any explanation for its failure to order the additional transcripts by February 22, 2018 as required by the clear and direct language of this Court's February 8, 2018 order. Dismissal of these appeals does not prevent appellant or other appropriate government authorities from intervening with respect to the minors if new circumstances warrant such intervention.
