Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion for relief from time limitation of MCR 7.212(B) and to exceed page limitations of MCR 7.212(B) is GRANTED. The consolidated appellant's brief that was received on May 29, 2018, is accepted for filing in both of these consolidated appeals. In this regard, the consolidation of these appeals on the Court's own motion less than 21 days before the appellant's brief due date in both appeals provides good cause to extend the time for filing the motion. MCR 7.216(B).

Appellee shall file a consolidated brief in response that may be up to 80 pages long, exclusive of tables, indexes, and appendices.
