Judges

On the Court's own motion, in lieu of dismissing the claim of appeal for lack of jurisdiction because it was filed *before* entry of the order appellant seeks to appeal when a claim of appeal must be filed *after* entry of the order appealed from, MCR 7.204(A)(1)(a), the refiled claim of appeal submitted on May 24, 2018 is treated as a delayed application for leave to appeal filed that date as to the trial court's March 19, 2018 order. Appellant shall file five copies of a brief in support of the delayed application and proof of service of that brief on appellee within 56 days after the date of this order. Appellee may file an answer within 21 days after service of appellant's brief. See MCR 7.205(C). If appellee files such an answer appellant may file a reply brief within 21 days after service of the answer. See MCR 7.205(D); MCR 7.212(G). Thereafter, the delayed application will be submitted for a decision under MCR 7.205(E).

Failure to timely file the brief in support of the delayed application as required by this order may result in dismissal of the delayed application.
