The Court orders that the motion to dismiss this appeal is GRANTED. The claim of appeal was not timely filed under MCR 7.204(A)(1)(a) because it was not filed within 21 days after entry of the January 12, 2018 order appealed from. Further, the claim of appeal was not timely filed under MCR 7.204(A)(1)(b) because the motion for reconsideration of the order appealed from was not filed within 21 days after it was entered or within further time allowed by the trial court during that initial 21-day appeal period. In this regard, the order appealed from must be considered to have been entered on January 12, 2018 for purposes of the time limit for filing an appeal of right as it was both signed and entered in the lower court register of actions on that date. MCR 7.204(A). At this time, appellant may seek to appeal the January 12, 2018 order by filing a delayed application for leave to appeal under MCR 7.205(G).
