Delta Business Center LLC v Delta Charter Township

Docket No. 343386

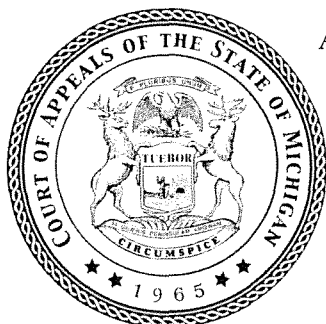

LC No. 2017-161231-AA

Colleen A. O'Brien
Presiding Judge

Jonathan Tukel
Judges

The motion to dismiss is DENIED. It does not appear that the Michigan State Tax Commission was acting as a “court” or “tribunal” when it denied Delta Business Center’s request for a tax exemption. Therefore, MCR 7.203(A)(1)(a) does not apply and this Court has jurisdiction to hear this appeal as an appeal of right.
