Judges

The Court orders that the delayed application for leave to appeal is DISMISSED as moot. After the trial court entered the March 2, 2018 order denying defendant Everest National Insurance Company's motion for summary disposition on the first, third, and sixth claims in plaintiff's complaint, it entered an order, pursuant to a stipulation, that dismissed plaintiff's claims against defendant with prejudice. Accordingly, the Court cannot grant defendant any relief from the March 2, 2018 order. *Tenneco Inc v Amerisure Mut Ins Co*, 281 Mich App 429, 472; 761 NW2d 846 (2008).
