Judges

The Court orders that in lieu of granting the delayed application for leave to appeal this case is REMANDED to the trial court for further proceedings consistent with this order. MCR 7.205(E)(2). On remand, the trial court shall cause a corrected presentence investigation report to be prepared striking indications that defendant failed to appear for a presentence interview, that the probation agent requested defendant's bond be revoked, and that defendant was not participating in treatment programs based on the trial court's statements at sentencing that it would strike such indications from the presentence report. MCR 6.425(E)(2).
