

**Court of Appeals, State of Michigan**

**ORDER**

**James M Farese v American Tower Corp**

Docket No.   **343880**

LC No.       **2016-009792-CH**

---

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal in this Court of Appeals file, i.e., the claim of appeal filed on May 18, 2018, is DISMISSED for lack of jurisdiction. Appellants already filed a claim of appeal from the same March 30, 2018 circuit court order in Court of Appeals Docket Number 343446 on April 20, 2018. MCR 7.203(A)(1) allows for “an aggrieved party” to file “an appeal of right” from a final order of the circuit court. Thus, the same parties cannot file a second appeal of right from the same circuit court order. Further, there is no need for appellants to do so. Rather, appellants are free to challenge any aspect of the March 30, 2018 order in their prior appeal in Docket Number 343446 taken from that order as the general final order under MCR 7.202(6)(a)(i).
