

**Court of Appeals, State of Michigan**

**ORDER**

**People of MI v Curtis Dickerson**

Docket No.   **344199**

LC No.       **14-006051-01-FC**

---

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction. The claim refers to a March 27, 2018 order of the circuit court, when no such order was entered. Instead, the date referenced in the claim corresponds to this Court's order, *People v Dickerson*, unpublished order of the Court of Appeals, entered March 27, 2018 (Docket No. 340883). Moreover, the circuit court did not enter a final order during the 21-day period preceding the filing of the claim. There being no final order over which this Court may exercise jurisdiction, this Court lacks jurisdiction over this claim. Dismissal is without prejudice to whatever other relief may be available consistent with the Court Rules.
