

**Court of Appeals, State of Michigan**

**ORDER**

**People of MI v Rodney Earl Brown**

Docket No.   **344761**

LC No.       **17-007272-01-FH**

---

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The motion to waive fees is GRANTED for this case only.

The claim of appeal is DISMISSED for lack of jurisdiction because it was not timely filed. MCR 7.204(A). The claim of appeal was not filed within 42 days after entry of the final order appealed from or the order denying defendant's motion for new trial. MCR 7.204(A)(2). The motion for reconsideration of the denial of the motion for new trial did not extend the time for filing the claim of appeal because the motion for reconsideration was not filed within the initial 42-day period. Dismissal is without prejudice to the filing of a late appeal under MCR 7.205(G), provided such a filing meets all requirements under the court rules and is not time-barred.
