

Court of Appeals, State of Michigan

ORDER

People of MI v Kendrick Scott

Docket No. 345692

LC No. 99-005393-02-FC

Kirsten Frank Kelly
Presiding Judge

Christopher M. Murray

Cynthia Diane Stephens
Judges

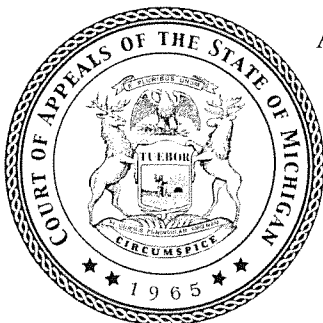

The Court orders that the motion to waive fees is GRANTED.

The motion for immediate consideration is GRANTED.

The motion to review bail is DENIED.

Stephens, J., would grant the motion to review bail and remand to the trial court for a particularized review of the bond factors. The generalized determination that the nature of the crime is heinous and that the accused poses a danger to the public is not enough to allow a reviewing court to understand the basis of the trial court's exercise of discretion.
