Judges

On the Court's own motion, this Court DISMISSES, in part, the delayed application for leave to appeal for lack of jurisdiction. This Court lacks jurisdiction to entertain appellant's challenge to the Barry County Family Court's decision to dismiss the April 17, 2018 petition of the DHHS because the delayed application was not filed within six months of the entry of the April 17, 2018 order denying authorization of the petition. MCR 3.993; MCR 7.205(G). In all other regards, the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.
