---

Having reviewed the trial court transcript of the resentencing hearing, we are convinced that the trial court sufficiently articulated its specific findings justifying Count I of defendant's sentence to run consecutive to Count II, pursuant to *People v Norfleet*, 317 Mich App 649, 654; 897 NW2d 195 (2016), including defendant's role in the crimes, his history of similar crimes, and his behavior at trial. Therefore, we affirm defendant's sentences.
