

**Court of Appeals, State of Michigan**

**ORDER**

**People of MI v Jesse Dennis Easterwood**

Docket No.   **339709**

LC No.       **17-003128-FC**

---

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The confession of error is REJECTED because it does not agree to the full extent of relief requested by defendant on appeal. Defendant's brief on appeal includes argument that the trial judge should have been disqualified and that the case should be remanded for a new trial before a different judge. However, the confession of error only agrees that defendant is entitled to a new trial based on an issue about a juror observing him in shackles, not that defendant is entitled to a direction from this Court that a different trial judge should preside at a new trial. This case shall be submitted for decision through the ordinary processes of the Court with the confession of error being submitted to the case call panel assigned to decide the case. MCR 7.211(C)(7).
