Judges

On the Court's own motion, each party is directed to file a supplemental brief specifically addressing the following issue: does the version of MCR 6.429 that was in effect when the trial court entered the original judgment of sentence and the amended judgment of sentence govern this case, or does the version of MCR 6.429 that became effective September 1, 2018 retroactively apply to the trial court's amendment of defendant's sentence on its own initiative?

The supplemental brief of appellant is to be filed within 21 days of the date of this order, and the supplemental brief of appellee within 14 days after service of appellant's supplemental brief.
