Judges

The Court orders that the motion to remand and the supplemental motion to remand are DENIED for failure to persuade the Court of the necessity of a remand at this time. Denial of remand is without prejudice to a case call panel of this Court determining that remand is necessary once the case is submitted on a session calendar.

The motion to add an additional ground for appeal is GRANTED. Within 21 days of the date of this order defendant may submit a supplemental brief on appeal addressing the additional issue presented in the motion.
