LC No. 11-048682-DM

Michael F. Gadola
Presiding Judge

Judges

The Court orders that the motion to enlarge the record is GRANTED TO THE EXTENT that appellant may order the transcripts that she deems relevant from Lower Court Number 13-051332-NZ and have those transcripts filed in the lower court file for this case so that they will be part of the record eventually forwarded to this Court for review. However, this is without prejudice to the ability of the case call panel to consider whether, or to what extent, those transcripts are properly considered in deciding the present appeal.

The motion to extend time to order transcripts is GRANTED. Appellant shall order the additional transcripts from the present case and from Lower Court Number 13-051332-NZ that she deems relevant and secure the filing of a copy of the stenographer's certificate(s) of having ordered those transcripts with both the trial court and this Court within 21 days after the date of the present order. Such transcript requests shall be deemed timely made. Further, the time for filing appellant's brief under MCR 7.212(A)(1)(a)(iii) shall run from the date of the filing of the last of any such transcripts in the trial court.

The trial court clerk's office shall accept for filing in the file for this case copies of any transcripts ordered from Lower Court Number 13-051332-NZ in accordance with this order.

The Clerk's Office of this Court shall send a copy of this order to the Marquette Circuit Court Clerk's Office.

Borrello, J., would deny without prejudice the motion to enlarge the record and the motion to extend time to order transcripts.
