

Court of Appeals, State of Michigan

ORDER

In re Henry/Roberts Minors

Docket No. **346855**

LC No. **14-518274-NA**

Christopher M. Murray, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to file appellant's brief is DENIED where counsel has not asserted an unexpected event that directly affects the ability to timely file the brief. Cases involving termination of parental rights require expedited processing in the initial filing, the production of the transcript, the filing of the brief, and the placement on the case call. See MCR 7.204(A)(1)(c); MCR 7.210(B)(3)(b)(iii); MCR 7.212(A)(1)(a)(i); MCR 7.213(C)(2). Further, IOP 7.212(A)(1)-3 indicates that motions for extensions of time in cases where the appellant's brief is due in less than 56 days will be granted only for good cause shown, which is generally limited to unexpected events that directly impact the ability to timely file the brief.

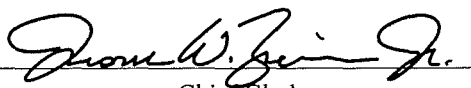

The Clerk of the Court shall place this case on the involuntary dismissal docket without further notice to the parties if the appellant's brief is not filed within 21 days of the Clerk's certification of this order.
