Docket No. 346992

Judges

On the Court's own motion this appeal is DISMISSED AS MOOT. MCR 7.216(A)(7). In our April 11, 2019 order we vacated that part of the December 5, 2018 order appealed from that limited defendant to supervised parenting time and we remanded for a hearing regarding custody while retaining jurisdiction. On remand, rather than further litigate the supervised parenting time provision of the December 5, 2018 order, the parties entered into a consent order that, at least temporarily, allowed defendant unsupervised parenting time and directed that a more permanent parenting time arrangement would be referred to mediation. As such, the consent order superseded and rendered moot any further consideration of the December 5, 2018 order that was the subject of this appeal. The Court does not retain jurisdiction.

The Court further orders that the April 24, 2019 order consolidating this appeal with the appeal in docket no. 346994 is VACATED.
