Judges

Pursuant to MCR 7.205(E)(2), in lieu of granting the delayed application for leave to appeal, the Court REMANDS this matter to the Jackson Circuit Court for the ministerial task of entering a corrected judgment of sentence that reflects defendant-appellant's entitlement to 191 days of jail credit. The trial court erred by summarily denying defendant-appellant's request for sentence credit when the record clearly established his right to credit for time served. The trial court shall forward a copy of the corrected judgment of sentence to the Department of Corrections. In all other regards, the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented. This order has immediate effect. MCR 7.215(F)(2). This Court does not retain jurisdiction.
