---

The Court orders that the motion to withdraw is hereby HELD IN ABEYANCE. Contrary to appellate counsel's assertion in the motion to withdraw, defendant's plea agreement did not contain a sentencing agreement. We are unable to conclude that appellate counsel considered any sentencing issues, including the scoring of the sentencing guidelines and the denial of credit for time served, before he filed the motion to withdraw. Within 21 days of the date of certification of this order, appellate counsel shall file a supplemental brief in support of the motion to withdraw, in which he identifies the sentencing issues that he has considered.
