

Court of Appeals, State of Michigan

ORDER

In re Munson/Nelson Minors

Docket No. **347264**

LC No. **2018-003276-NA**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the December 13, 2018 order of adjudication is not a final order appealable of right. MCR 3.993(A). Particularly, that order is not an order of disposition, MCR 3.993(A)(1), and there appears no basis for regarding the order of adjudication, which is in the nature of a preliminary order, to be a final order, MCR 3.993(A)(4). Dismissal is without prejudice to the filing of a late appeal under MCR 7.205(G), provided such a filing meets all requirements under the court rules and is not time-barred, or to the filing of a claim of appeal within the applicable time limit if an order of disposition appealable of right under MCR 3.993(A)(1) is entered in this case.
