Judges

The Court orders that the motion to waive fees is GRANTED for this case only.

The Court further orders that to the extent defendant's motion in the trial court is one for resentencing, the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented. To the extent that defendant's motion is one for relief from judgment, the delayed application is DISMISSED. Defendant has failed to demonstrate the entitlement to an application of any of the exceptions to the general rule that a movant may not appeal the denial of a successive motion for relief from judgment.
