The Court orders that the motion to dismiss is DENIED.

Further, the Clerk's Office of this Court has obtained a copy of a current circuit court register of actions from the circuit court clerk's office. That current register reflects that, apparently unbeknownst to the parties, the January 9, 2019 transcript was filed with the trial court on March 18, 2019. Appellant shall ensure that a copy of the January 9, 2019 transcript is served on appellee's counsel, and that a corresponding proof of service is filed with this Court, within 21 days after the date of this order. Failure to do so may result in dismissal of this appeal.

On the Court's own motion, the time for filing appellant's brief is extended until July 8, 2019. No further extension will be allowed except on motion for good cause shown.
