Judges

The Court orders that the motion for immediate consideration is GRANTED.

In lieu of granting respondent's application for delayed leave to appeal, pursuant to MCR 7.205(E)(2) we VACATE the February 4, 2019 final order of the Bureau of Professional Licensing Board of Medicine Disciplinary Subcommittee and REMAND for further proceedings in which respondent is provided the opportunity to respond to the administrative complaint. Petitioner is ordered to immediately remove all notification of the suspension from its website.

Finally, because the February 4, 2019 final order is hereby vacated, the Court orders that the motion for stay pending appeal is DENIED as moot. We do not retain jurisdiction.
