

Court of Appeals, State of Michigan

ORDER

People of MI v Cleophus Dewayne Sledge

Docket No. **348298**

LC No. **17-000954-FH**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the March 13, 2019 judgment of sentence, which was based upon a plea of guilty to a crime committed after December 27, 1994, is not appealable as a matter of right. MCR 7.203(A)(1)(b). In this regard, while the probation violation finding was made after a contested proceeding, there is no appeal of right because the conviction of the crime was by plea of guilty. MCR 7.203(A)(1)(b). Dismissal is without prejudice to the filing of an application for leave to appeal under MCR 7.205(G), provided such a filing meets all requirements under the court rules and is not time-barred.
