

**Court of Appeals, State of Michigan**

**ORDER**

**Cedric Bell v Department of Corrections**

Docket No.   **348312**

LC No.       **00-000000**

---

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

On the Court's own motion, the April 26, 2019 fee-related order is VACATED. That order was erroneously entered because this appeal is not "an appeal in a civil action," MCL 600.2963(1), since it appears the circuit court did not actually open a circuit court action in this matter. Rather, the January 18, 2019 document from which appellant asserts an appeal appears to be a letter from the circuit court clerk's office returning papers to him. Accordingly, the motion to waive fees is GRANTED for this case only

The Clerk's Office of this Court shall transmit a copy of this order to the Department of Corrections which shall cease any deductions of funds from plaintiff's prisoner account under the vacated April 26, 2019 order and refund to plaintiff's prisoner account any funds that may have been deducted under the April 26, 2019 order.
