## ORDER

**Monte Shearer v American Oak Resort**

Docket No.   **348418**

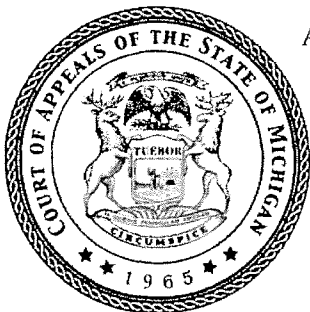

LC No.       **16-723124-NO**

---

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion to withdraw as counsel by appellants' counsel is GRANTED. Appellant Art Jensen shall proceed *in propria persona* in this appeal unless and until an attorney licensed to practice in Michigan enters an appearance for him. Because appellant American Oak Resort, as an entity, must be represented by an attorney to prosecute this appeal an attorney licensed to practice in Michigan must enter an appearance for American Oak Resort within 21 days after the date of this order or this appeal will be dismissed as to that party.

On the Court's own motion, appellants' former counsel Philip L. Ellison (P74117) shall pay \$250 in costs to the Clerk's Office of this Court within 21 days after the date of this order for allowing this case to appear on the involuntary dismissal docket, particularly for failing to provide the needed stenographer's certificate and docketing statement within the time allowed by the relevant Clerk's Office warning letters. The motion to withdraw is immaterial to the assessment of these costs because the motion was not filed until after the expiration of time allowed by the warning letters for providing the needed items.
