**ORDER**

**In re Suitor Minors**

Docket No.   **348428**

LC No.       **18-028208-NA**

---

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to file appellant's brief is DENIED because counsel's vague references to the date transcripts were received (without specifying the date) and his "preexisting schedule" do not show good cause for the requested extension. Denial of this motion is without prejudice to appellant's counsel filing a new motion to extend time to file appellant's brief with specific information as to the date the transcripts were received, his preexisting plans or commitments, and any other specific information that may support an extension of time.
