

Court of Appeals, State of Michigan

ORDER

Lance Adam Goldman v Kalamazoo Circuit Court Judge

Docket No. **348632**

LC No. **15-000503-FH**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The Court orders that the original complaint for mandamus in this file is DISMISSED for lack of jurisdiction because the writ of mandamus has been abolished with regard to a lower court and replaced by the availability of a superintending control action. MCR 3.302(C).

The motion to waive fees is also DISMISSED as moot.

The Court notes that plaintiff's original complaint for superintending control in *In re Goldman*, Docket Number 348483, which appears to include substantially the same issue as the present complaint for mandamus, remains pending in this Court.
