The Court orders that the motion to withdraw is held in ABEYANCE. Counsel for defendant-appellant shall file a supplemental brief addressing whether, after review of the entire record, counsel has concluded that defendant-appellant's appeal is wholly frivolous. See Standard 1 of the Minimum Standards for Indigent Criminal Appellate Defense Services. Administrative Order 2004-6, 471 Mich c, ci. Specifically, counsel shall address whether there are any grounds to appeal arising from defendant-appellant's attempts to withdraw her guilty plea to the underlying charge of operating while intoxicated, or arising from trial counsel's effectiveness regarding the attempts to withdraw that plea.

The supplemental brief shall be filed within 30 days from the Clerk's certification of this order.
