---

The Court orders that the motion for immediate consideration is GRANTED.

The motion to remand is DENIED for failure to persuade the Court of the necessity of a remand at this time. Denial of remand is without prejudice to a case call panel of this Court determining that remand is necessary once the case is submitted on a session calendar.

On the Court's own motion, the time for filing appellant's brief is extended until 14 days after the date of this order.
