The Court orders that the motion to withdraw is DENIED for reasons that the appeal is not wholly frivolous. Counsel for defendant-appellant shall have 35 days from the Clerk's certification of this order within which to file a brief in support of the delayed application for leave to appeal addressing the following two issues: (1) whether the plea agreement was illusory when the benefit of the agreement to defendant was the dismissal of the habitual-offender notice but the prosecution failed to file written notice of its intent to seek an enhanced sentence within 21 days after defendant was arraigned on the information, MCL 769.13(1); and (2) whether defense counsel was ineffective for failing to object to the scoring of OV 18 when OV 18 can only be scored for a crime against a person if the offense involved the operation of a vehicle, vessel, ORV, snowmobile, aircraft, or locomotive, MCL 777.22(1).
