ORDER

Travis C Taylor v Paul Marsh

Docket No. **349495**

LC No. **15-003202-CK**

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to file cross-appellants' brief is GRANTED TO THE EXTENT that the time for filing cross-appellants' brief is extended until December 20, 2019.

Other forms of relief requested by cross-appellants in the body of the motion are not properly requested in their motion captioned as a motion to extend time for filing a brief and with payment of only one motion fee. This order is without prejudice to cross-appellants filing, in an appropriate manner, additional motions seeking relief they deem appropriate. Cross-appellants may also wish to review MCR 7.207(D) as to the obligation of a cross-appellant to secure the ordering of the transcript where the principal appeal has been dismissed.
