

Court of Appeals, State of Michigan

ORDER

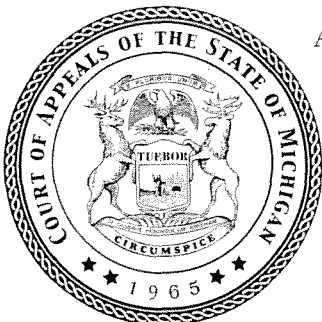

Jacquelyn Marie Carpenter v Xavier Demond Harris

Docket No. **349760**

LC No. **19-024906-DP**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

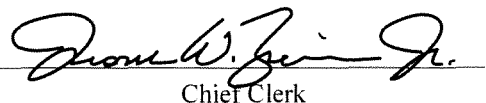

The claim of appeal is DISMISSED for lack of jurisdiction because the June 21, 2019 order is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). That order is not a final order under MCR 7.202(6)(a)(i) because it does not actually dispose of any claims in appellee's complaint but rather is merely a temporary custody order. Further, that order is not a final order under MCR 7.202(6)(a)(iii) because it is not a *postjudgment* order since no order disposing of the claims in the complaint has yet been entered. Dismissal is without prejudice to the filing of a late application for leave to appeal under MCR 7.205(G), provided such a filing meets all requirements under the court rules and is not time-barred. Alternatively, appellant may file a timely claim of appeal after the entry of a final order under MCR 7.202(6)(a)(i) in this case.
