Judges

The Court orders that the motion for immediate consideration filed on July 26, 2019 is DENIED. However, consistent with the representation to the Clerk's Office by appellee's counsel on that date, appellee shall not execute upon or in any way attempt to collect the award of attorney fees and costs in the trial court's July 8, 2019 order before the pending motion for stay in this appeal is decided. Accordingly, appellee may timely file answers to the motions for stay, to waive requirements of MCR 7.209, and the motion for immediate consideration filed on July 25, 2019 by August 1, 2019.
