

Court of Appeals, State of Michigan

ORDER

Donna Dodd v Allstate Fire and Casualty Insurance Company

Docket No. 350172

LC No. 18-002090-NF

Colleen A. O'Brien
Presiding Judge

Jane E. Markey

Amy Ronayne Krause
Judges

The Court orders that the motion for reconsideration is DENIED.

Ronayne Krause, J., would grant the motion for reconsideration and states: Under the unusual circumstances of this case, I believe this court should perform a plenary review of this case. The consent judgment included language aimed at preserving plaintiffs' right to appeal the court's determination about "double dip amounts," in spite of the consensual nature of the judgment. The judgment itself states, "IT IS FURTHER ORDERED that this Consent Judgment shall not impact Plaintiffs' ability to take an appeal as to this Court's decision on Defendant's liability for double dip amounts previously dismissed."

Plaintiffs filed a claim of appeal on August 12, 2019. The claim identified the July 24, 2019 Order, quoted above, as the order on appeal.
