

Court of Appeals, State of Michigan

ORDER

Dawn R Baylis v BCA of Detroit Inc

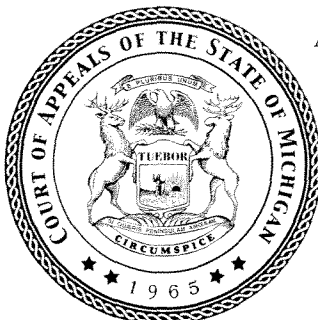

Docket No. **351186**

LC No. **16-000066**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the January 25, 2019 order of the Michigan Compensation Appellate Commission (MCAC) is not appealable of right. MCL 418.861a(14). Further, while appellant has not submitted items reasonably treated as a separate application for leave to appeal filing, even if her filing were treated as an application for leave to appeal, it would properly be dismissed because it was not filed within 30 days after entry of the January 25, 2019 MCAC order. MCL 418.861a(14).

The motion to waive fees is GRANTED for this case only.
