

Court of Appeals, State of Michigan
ORDER

Detroit v Mourice Neal

Docket No. **351713**

LC No. **19-012491-AV**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The application for leave to appeal is DISMISSED for lack of jurisdiction. Appellant filed the instant application on November 25, 2019, and states that the application stems from an appeal he has filed in the Wayne County Circuit Court, Case No. 19-012491-AV. The circuit court register of actions shows that no order was entered by the Wayne Circuit Court in that case on or before the date this application was filed. Accordingly, the application for leave to appeal is premature; there was no order to be appealed when the application was filed. See MCR 7.203(B) and 7.205(A).

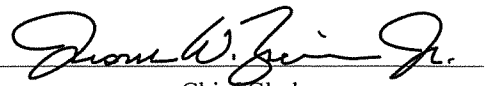

The motion to waive fees is GRANTED for this case only.
