The Court orders that the motion for reconsideration is DENIED. MCR 7.204(A)(1)(b) did not apply to allow the timely filing of a claim of appeal after entry of the trial court order denying the relevant second motion for reconsideration because that motion was not filed within the initial 21-day appeal period, i.e., within 21 days after entry of the August 5, 2019 order appealed from, and the trial court did not extend the time for filing the second motion.
