

Court of Appeals, State of Michigan

ORDER

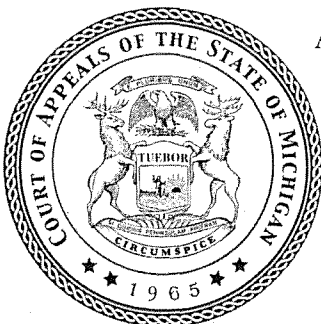

In re PML Minor; In re SRL Minor

Docket Nos. **351143; 351144**

LC Nos. **18-003915-AY; 18-003916-AY**

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to file appellant's brief is DENIED because the vague reference in the motion to the press of case load and extenuating circumstances is insufficient to show good cause for the late filing of the brief. This order is without prejudice to the filing of a timely motion for reconsideration with a more specific explanation of the basis for the requested extension.
