Docket No. 352541

Judges

The motion for immediate consideration is GRANTED. The motion to expand the record is DENIED.

Presiding Judge

Ronayne Krause, J., would grant the motion to expand the record and states: Plaintiff-Appellee attempts to expand the appellate record to include transcripts of 2 defense experts, which I understand are now a part of the trial court record. Importantly, this appeal was initiated in this Court by the filing of an application for leave to appeal, which was thereafter granted by this Court. For the reasons stated in plaintiff-appellee's motion, I believe the record should be expanded as requested by plaintiff-appellee.
