Re: *People v Zaid*
Court of Appeals No. 3270197
Troy District Court No. 12-004518-FY

Dear Clerk:

I hereby withdraw my motion for a stay and motion for emergency hearing. This morning I delivered the attached proposed Stipulation to the Troy District Court. During the process, I met with the Judge's clerk (Geoff Patrishkoff) who assured me that the bindover order would not be signed assuming a timely rehearing motion is filed. Based on his representations, I withdraw the two motions.

I hereby certify that a copy of this letter was served through Truefiling on Marilyn Day at the Oakland County Prosecutor's Office.

Yours very truly,

A handwritten signature in blue ink, appearing to read "Stuart G. Friedman".
