Re: People v Davis
Docket No. 337221
L.C. No. 13-010643-FC

Dear Tara:

On June 9, 2017 I filed two pleadings in the above referenced matter:

1. Stipulation For Extension Of Time To File Brief;
2. Motion For Extension Of Time To File Brief Of Appellant.

On that same date I received a telephone call from an assistant clerk at the Court of Appeals, Tara, who informed me that a deficiency letter was being issued that day because the court reporter responsible for transcribing the proceedings conducted on November 18, 2014 -- Zelda Harris Releford, CSR 4897 -- had failed to file that transcript.

I filed the stipulation and the motion for extensions of time in which to file the brief of appellant prematurely and inadvertently because the entire transcribed record has not yet been filed. Accordingly, I now request that the stipulation and the motion for extensions of time both be withdrawn.

In the event I need an extension of time, after fifty-six (56) days have passed following the filing of the outstanding

transcript, I will submit the appropriate stipulation and motion.

Your anticipated assistance is greatly appreciated. Should you have any questions or comments regarding it please do not hesitate to call me. I will be at your service.

Very truly yours,

MICHAEL J. McCARTHY, P.C.
