**Re: Destiny Macon v Michael Joseph Schmitt, et al**  
**Court of Appeals #349780**  
**Motion Withdrawal/Stipulation for Extension**

Dear Clerk of the Court:

This letter accompanies the filing of Plaintiff-Appellant's Stipulation for 28 Day Extension of Briefing Time and will serve as a request to withdraw the motion to extend time filed on January 27, 2020 in the above matter. The motion was inadvertently filed rather than the attached stipulation. Please accept my apologies for any confusion caused. Thank you.

Very truly yours,

Jeffrey J. Hyland, Legal Assistant to
