Re: Brenner v. Kerkstra
Case No.: 07-042476-DC
COA#: 353255

Dear Clerk:

On March 31, 2020, I filed a Motion to Waive Order Requirements of MCR 7.209 in the above referenced case. A short time thereafter, I located a copy of the February 18, 2020 Order Following Hearing on Plaintiff's Ex Parte Petition for Stay, which is filed with and attached to this correspondence. Therefore, I would like to withdraw the Motion to Waive Order Requirements of MCR 7.209. If you should have any questions, please do not hesitate to contact me.

Very truly yours,

Trish Oleksa Haas
