Before: Marilyn Kelly, P.J., and Wahls and M.R. Knoblock,\* JJ.

M.R. KNOBLOCK, J. (concurring in part and dissenting in part).

I concur with parts I through V of the majority opinion. However, I disagree with the majority's conclusion in Parts VI and VII. The ordinance requiring the erection of the wall and the cutting of the weeds was not shown to be intended to protect against the injury suffered. Moreover, the criminal act was not a foreseeable result of defendant P.A.P.'s negligence in maintaining the property.
