No. 196190

MEMORANDUM.

Plaintiff appeals by right summary disposition in favor of defendant in this action for no fault benefits under the Assigned Claims Facility provisions of the Insurance Code. This case is being decided without oral argument pursuant to MCR 7.214(E).

Explanations and rationalizations designed to explain away plaintiff's status as lessee of the motor vehicle in question aside, by the plain terms of §3101(2)(g)(i) of the Insurance Code, plaintiff was the owner of a vehicle involved in the accident, and barred from no fault benefits by virtue of §3113(b) because the vehicle was uninsured. See *Auto Owners Ins Co v Hoadley*, 201 Mich App 555, 561-562; 506 NW2d 595 (1993). In this respect, the opinion of the trial court accurately analyzes the facts and issues of the case, and is hereby adopted as this Court's own.

Affirmed.
