STATE OF MICHIGAN

COURT OF APPEALS

NANCY DIERKER,

Plaintiff-Appellant,

v

WILLIAM J. NABHOLZ, III,

Defendant-Appellee.

Before: McDonald, P.J., and Saad and Smolenski, JJ.

McDONALD, P.J. (concurring in part and dissenting in part).

I would not decide whether enforcement of the Missouri court's April 1996 order is required by the PKPA or that the PKPA applies to the facts of this case. In all other respects, I agree with the majority opinion.
