

STATE OF MICHIGAN
COURT OF APPEALS

PEOPLE OF THE STATE OF MICHIGAN,

Plaintiff-Appellee,

v

RONNIE MASK,

Defendant-Appellant.

UNPUBLISHED

April 21, 1998

No. 198255

Ingham Circuit Court

LC No. 95-068616 FH

Before: Neff, P.J., and White and D. A. Teeple*, JJ.

MEMORANDUM.

Defendant appeals by right his jury conviction of delivery of cocaine under fifty grams, MCL 333.7401(2)(a)(iv); MSA 14.15(7401)(2)(a)(iv).

Defendant first contends that the trial court erred in the manner in which it struck inaccurate information from the presentence report, making a manual deletion mark and initialing it, but leaving the material still legible on the copy forwarded to the Department of Corrections. Defendant has failed to furnish this Court with a copy of the presentence report as required by MCR 7.212(C)(6), and accordingly has waived this argument. *People v Oswald*, 208 Mich App 444, 446; 528 NW2d 782 (1995). In any event, as described the method used by the trial court to strike inaccurate information in the presentence report appears well calculated to achieve the desired purpose and no basis for appellate relief has been demonstrated.

Defendant also contends that the trial court erred in its scoring of OV 16 at fifteen points. A challenge to the trial court's scoring of a sentence guideline variable fails to state a cognizable claim for appellate relief. *People v Mitchell*, 454 Mich 145, 176-178; 560 NW2d 600 (1997).

Affirmed.

* Circuit judge, sitting on the Court of Appeals by assignment.
